Corner Fort and Merchant Ste.

Fright-just plain, ordinary fright!-started one man in the habit of saving. He was frightened with the Alea that, at some future time, he might have to beg his daily bread.

After he'd been saving for some time-and he seemed to live just as well while he was saving! he found that he couldn't stop saving.

He's an old, old man now -and he hasn't had to beg for anything.
